TO OUR PATRONS—

In our circular announcing this sale, a mistake occurs in stating April 1st, instead of May 1st, as the time the Catalogues would be ready ; hence the apparent delay to those who were kind enough to reply promptly. We have been compelled to charge a small price for our Catalogues, (which is less than cost), but give a better style than otherwise could be done with justice to ourselves. We will faithfully execute bids free of commission for those of our friends who are unable to attend. Please send the bids in as early as possible, as we frequently receive bids after the sale.

Priced Catalogues after the sale is over, post paid, \$1.00.

Very respectfully,
